

Video de la Fiesta Virtual de Costa Rica

Monday, 21 September 2009

The Sunday the 13 of September tuiteros, blogueros and feizbuqueros we enjoyed the Virtual Celebration in house of Alexander Trejos. Personas that plows years old commenting, sharing ideas and to feeling of ciberamistad occurred to hug for the first Time. In the person nick was very pleasing to have the slip of to paper with my (@juliocordoba) and to sees abreast of the other people's pseudonyms, that facilitated the presentations. Ace it is custom I made to videito. It COST much to publish it because many images had the light front, I selected less dark and this it is the result:
